**Thank you for choosing Q-ZAR Laser Tag at 2295 Willow Pass Rd. in Concord as your party choice.**

**Upon Your Parties Arrival:** As your group arrives, please send the person who booked your party to step #2 with your confirmation letter so a Q-ZAR representative can check you in. At that time we will brief you on how your Q-ZAR party will proceed. During this time, **have each person (adult or child) playing Q-ZAR (6 years & older & 45 inches or taller)** fill out one of our waiver forms at the sign in desk. We will hold your gifts & any food or dessert items you may have brought until you are given your party room at the time stated below.

**Your First Laser Tag Mission - Approximately 15 minutes after your arrival time:** Once all players have completed the forms, bring them to the front counter where the manager will ring up the balance of your party (**cash, visa, mc or amex only with a valid driver's license**) & assign you to the next available game. When your game is called we will take only your paid players (no chaperones or picture taking) into the briefing room to begin their first laser tag mission. It will be approximately 30 minutes from the time they are brought in till the completion of their first laser tag mission.

**Your Second Laser Tag Mission - Approximately 50 minutes after your arrival time:** We will take them into their second laser tag mission once your participants have checked their scores on the monitor and had a 5 minute break. It will be approximately 25 minutes from the time they are brought into the briefing room till the completion of their second laser tag mission.

**Your Party's End:** As your **45 minute party room time** starts to come to an end, we ask that you wrap up your party so that our staff can prepare the room for the next scheduled party. The decorations located in the party areas are there to help you enjoy your party experience & are the property of Q-ZAR. We ask that your guests do not touch any of the decorations, so that the following party can enjoy them as much as you have. At this time you may spend your remaining 15-20 minutes out in the lobby finishing up any arcade games, purchasing any tickets your guests may have. **If you have a third game to play you will not go to step #2 and if that is the case you are ready to play at this time.**
